We warmly invite you to the 2020 ECK Australian Seminar

*A Weekend of Discovery, Inspiration and Joy*

Friday 10, 7–9 pm • Saturday 11, 2–9 pm January

When we discover within us a deep sense that there is something more to life, we become a spiritual seeker.

We dare to venture beyond old beliefs and question if there is more to be experienced than mindfulness, meditation, and positivity.

Do you want to know what your personal purpose is in this lifetime? Or find truth that is relevant to you?

Do you wish to learn how to tune into mystical inner guidance that illuminates and widens your understanding of every facet of life?

When you are ready to know and accept yourself as Soul, the eternal creative being, the spiritual adventure of ECK (*Spirit*) awaits you!

**Experience HU, the Sound of Soul, Friday evening at 7 pm.**

HU is a sacred sound and ancient mantra. It is an ancient name for God that has been sung for thousands of years in many lands for spiritual unfoldment. HU can uplift people of any religion, culture, or walk of life.

Join us for engaging workshops, discussion circles, panels and talks in a friendly sharing environment with like-hearted people.
